## Prosecco

This proudly Australian Prosecco is produced utilising the Charmat method of production, which is done via pressurised fermentation tanks to make a wine that is fresh, crunchy and full of bubbly effervescence.

**TASTING NOTE:** Aromas of pear and citrus blossom. The palate is fruity and floral with a refreshing acidity and a fine bubble. This Brut style Prosecco has a delicate body and clean finish.

**WINEMAKING:** Grapes were harvested early in the season to retain the citrus acidity, giving freshness to the wine. The wine was fermented using a neutral yeast to enhance the fruity, aromatic characters of the Prosecco grape.
