

BAREFOOT WINE

BUBBLY® PINOT GRIGIO CALIFORNIA

Vineyards

The Pinot Grigio grapes were harvested from selected vineyards in Clarksburg, Lodi and other areas of the Central Valley. This location, at the mouth of the Sacramento Delta, provides a unique geographical advantage, creating beautifully warm days and cool, breezy nights which foster ideal weather conditions for perfect fruit ripeness.

Harvest

A warm and dry spring and summer brought on an early harvest. Grape canopies were managed to allow just the right amount of sunlight on the fruit. Warm days resulted in ripe tropical, apple and pear aromas and tastes.

Winemaking

The winemakers hand chose the yeast and using a cool fermentation process provided the freshness and fruit characters to develop in the wine glass. Using fresh cool fruit, cool fermentation conditions and just the right care and handling resulted in a delicious wine.

Taste Profile

Barefoot Bubbly Pinot Grigio is a crisp light bodied sparkling wine with yellow apple avors complementing its citrus, tangerine nish. Fantastic with food and phenomenal by itself! Perfect with antipasto, grilled vegetables, or roasted chicken. Enjoy with friends!
