

# BAREFOOT WINE

## NV PINOT GRIGIO AUSTRALIAN

Pinot Grigio is a dry white wine which is produced from grapes with dark skin, unlike most white wines varieties.

Barefoot Pinot Grigio is the #1 product in our portfolio worldwide. Barefoot Pinot Grigio delivers fresh fruit and light floral aromatics which perfectly balance the luscious mid-palate. Like the other Barefoot varieties, this wine is fruit forward, varietally correct and food friendly.

### Tasting Note

Barefoot Pinot Grigio is fruity and floral and offers vibrancy on the mid-palate; the perfect 'patio wine'. Jasmine aromas and ripe apple flavors perfectly compliment the tropical flavors and lingering lemon finish. Beautifully balanced!

### Food Pairing

Serve chilled! Barefoot Pinot Grigio pairs well with fresh fruits, grilled chicken and roasted vegetables. Terrific with pesto pasta sprinkled with parmesan cheese. Enjoy with friends!
