

CHAMPAGNE
**CHARLES
HEIDSIECK**

Maison fondée à Reims en 1851

A masterpiece from the Côte des Blancs in a mythical vintage

To the eye

A **magnificent, luminous** golden robe with primrose highlights, elaborated exclusively from Chardonnay grapes. A **delicate, distinctive bubble**, the result of more than 15 years of ageing in Gallo-Roman chalk quarries.

To the nose

A strict selection of no more than 4 *grands crus* from the Côte des Blancs and one *premier cru* grants a unique **nobility, elegance** and **generosity** to this wine.

The rich bouquet offers up aromas of dried and candied fruits such as hazelnuts, almonds and dates.

The wine of an aesthete, with **deep, heady notes** of beeswax and nougat.

On the palate

The year 1995 finds expression in this wine thanks to the **voluptuous**, velvety and yet delicate texture so characteristic of the Blanc des Millénaires. **Smooth** and **sensual**, the wine reveals its **generosity** in notes of salty caramel and its **mildness** in a hint of almond milk, complemented by subtle notes of vanilla and cedar wood.

A **unique emotion**, an impression of **eternity**, much like the feeling one has when standing in the heart of the 2000-year old chalk quarries for which this wine is named.

Tasting notes and awards
