

CHAIN OF FIRE

Much of Australia's premier winegrowing regions were profoundly influenced by volcanic activity of many millennia ago. "Chain of Fire" is the experts' term for a series of extinct volcanoes.

Rich volcanic soils create ideal conditions for the growth of high quality grapes which we celebrate in this label featuring a blacksmith - in tribute to Vulcan, the Roman God of Volcanoes, a supremely skilled artisan whose metal-working forge was a volcano.

2014 Shiraz Cabernet

Region

Central Ranges, New South Wales

Varietals

84% Shiraz and 16% Cabernet Sauvignon

Tasting Note

Chain of Fire Shiraz Cabernet combines the generosity of Shiraz with the elegant structure of Cabernet in a very smooth, very drinkable wine.

Winemaking Notes

Harvested at optimum ripeness and fermented on skins at moderate temperature. French oak matured prior to blending and bottling.

Alc/vol: 13.5%

Closure: Stelvin + screw cap
