

CORNU COPIA

WESTERN AUSTRALIA

Great wine is born of good fortune and can only be found in special places of natural abundance. These wines are from such a place.

2016 PINOT GRIGIO

Western Australia's mild summers and reliable springs combined with cooling breezes coming off the Indian and Southern Oceans provide ideal conditions for development of the detailed flavour and fresh acidity that makes great Pinot Grigio.

A lively, fragrant wine, appealingly fruity yet crisp and dry. Pear and apple juice flavours with a herbal undertone. Delicious.
