

CORNU COPIA

WESTERN AUSTRALIA

Great wine is born of good fortune and can only be found in special places of natural abundance. These wines are from such a place.

2015 PINOT NOIR

Great Southern's mild summers and reliable springs combined with cooling breezes coming off the Southern Oceans provide the ideal conditions for development of the detailed flavour and fresh acidity that makes great Pinot Noir.

Lively red cherry and raspberry notes with crisp fresh acidity and fine, silky tannins. Delicious.
