

# ROLLING

Inspired by the rolling hills of the Central Ranges near Orange, "Rolling" wines are sourced from the sub-600m (Central Ranges appellation) elevations of our Estate grown vineyard where cool temperatures coupled with bright sunlight produce fruit of incredible colour and vibrant flavours.

Our Rolling wines are easy drinking as a stand-alone aperitif or a great companion with food.

The label iconography represents the rolling hills of the Region and features the whimsical and carefree cyclist Beatrice, proudly wearing the scarf of the local Orange Emus football team.

## 2015 ROLLING MOSCATO

**BLEND:** 100% White Frontignac

**HARVEST:** 13th February 2015

**WINEMAKING:** Fruit was picked cool, transferred directly to winery for pressing. Following pressing, juice was highly clarified to produce very clean juice for ferment. A cool slow ferment was then initiated to retain the aromatic fruit characters. The ferment was stopped at a point where alcohol, residual sugar and acidity were perfectly balanced. The wine was then clarified & held cold to retain a high level of natural CO2 dissolved in the wine. Lastly the wine was stabilised and filtered prior to bottling.

**BOTTLED:** October 2015

**WINEMAKER:** Debbie Lauritz. B Ag. Sci. (Oen)

**APPEARANCE:** Pale with green edges

**AROMA:** Lifted aromatics with lycee and rose petal notes.

**PALATE:** A sweet style with crisp balanced acidity. The frizzante (semi sparkling) and lighter alcohol nature of the wine gives the wine freshness and lift.

**CELLAR:** Drink now whilst fresh and lively.

**SERVE WITH:** On its own, or as an accompaniment to fresh fruit, dessert, Sunday brunch or blue cheese.

**ALCOHOL:** 7%
