

ROBERT OATLEY

Signature Series

FOUNDER'S NOTE

With over forty years of winemaking experience I've learnt there are two important elements when it comes to creating great wine. Firstly, the best wines show a true sense of the land – that ideal combination of grape variety and region. Secondly, they taste even better when shared with friends. I hope you enjoy drinking these wines as much as we enjoyed making them.

ROBERT OATLEY, FOUNDER

ROBERT OATLEY SIGNATURE SERIES

The Robert Oatley Signature Series draws on a remarkable portfolio of vineyards nurtured by the winemaking talent of Larry Cherubino showcasing Australia's most successful wine styles and regions. Bob Oatley's mantra is that all wines should be a "darned good drink", and the high quality Signature Series delivers immediate appeal, with satisfying flavours over an elegant frame. Each wine embodies the grape varietal and region in which it was grown.

MUDGEE ROSÉ OF SANGIOVESE 2012

REGION NOTES: MUDGEE AUSTRALIA

One of Australia's oldest wine regions, located 162 miles northwest of Sydney on the central western tablelands of New South Wales, Mudgee is home to the country's first plantings of Sangiovese and Barbera – on the Oatley family estates. Situated at over 1,500 feet and with soils of ancient red clay loam of volcanic origin, the family's vineyards deliver high quality grapes that with careful nurturing create wines of outstanding varietal character, complexity and balance.

WINEMAKING NOTES

Harvested at night and treated like we would make an aromatic white, the sangiovese grapes are kept cool and the juice immediately crushed off the skins to give the vibrant yet pale color. It has been deliberately made at the drier end of the rosé spectrum.

TASTING NOTE

Robert Oatley Rosé of Sangiovese is a distinctively bright, modern style – dry and a little savory, with bright red fruit flavors and a crisp refreshing finish.
