MARGARET RIVER | MCLAREN VALE

FOUNDER'S NOTE

With over forty years of winemaking experience I've learnt there are two important elements when it comes to creating great wine. Firstly, the best wines show a true sense of the land – that ideal combination of grape variety and region. Secondly, they taste even better when shared with friends. I hope you enjoy drinking these wines as much as we enjoyed making them.

ROBERT OATLEY, AO BEM (1928-2016)

ROBERT OATLEY SIGNATURE SERIES

The Robert Oatley Signature Series draws on a remarkable portfolio of vineyards nurtured by the winemaking talent of Larry Cherubino showcasing Australia's most successful wine styles and regions. Bob Oatley's mantra was that all wines should be a "darned good drink", and the high quality Signature Series delivers immediate appeal, with satisfying flavours over an elegant frame. Each wine embodies the grape varietal and region in which it was grown.

MARGARET RIVER SAUVIGNON BLANC SEMILLON 2022

REGION NOTES: MARGARET RIVER WESTERN AUSTRALIA

Climatically, Australia's most reliable wine region, not to mention one of its best known, Margaret River is the ideal home for the Bordeaux varietals Cabernet Sauvignon, Sauvignon Blanc & Semillon, producing distinctive wines of powerful structure and finesse.

WINEMAKING NOTES

Selected parcels of Sauvignon Blanc (80%) and Semillon (20%) from Western Australia's premier Margaret River region, were fermented separately, without oak maturation and blended to deliver a wine with a little more mid-palate weight than our 100% Sauvignon Blanc – and with a distinctive citrus edge to the fruit spectrum. We're pleased with its crispness and balance.

TASTING NOTE

Juicy, fresh fruit salad flavours are backed by crisp citrus notes in the lively dry white blend of Sauvignon Blanc and Semillon.
