LIMITED RELEASE

Traditionally, we focus upon McLaren Vale for Shiraz and Margaret River for Cabernet Sauvignon as we believe them to be exemplary regions for each variety. That said, it must be acknowledged that the Barossa is Australia's best known wine region and amongst our nation's greatest regions for both varieties. Winemaker Larry Cherubino has identified some outstanding parcels of fruit for two special Limited Release wines designed to highlight Australia's most successful red varieties with two exceptionally age-worthy examples.
