

ROBERT OATLEY

Winemaker's Reserve

FOUNDER'S NOTE

In the early 1990's I released Australia's first "GSM" – certainly not the first time these three varieties had been blended but definitely the first to be marketed under the GSM acronym. I'm very proud of the success we enjoyed with that and subsequent releases and here we present our latest version, also from McLaren Vale and delivering all the smooth rounded flavours of this uniquely Australian style of red.

ROBERT OATLEY, FOUNDER

ROBERT OATLEY WINEMAKER'S RESERVE

Our Winemaker's Reserve range allows the Robert Oatley winemaking team to select the parcels of grapes that best exemplify the grape varieties and region that we believe represent great Australian wine styles. Enjoy them now or after a few years in your cellar.

MARGARET RIVER CABERNET SAUVIGNON 2017

REGION NOTES: MARGARET RIVER WESTERN AUSTRALIA

Climatically, Australia's most reliable wine region, not to mention one of its best known, Margaret River is the ideal home for the Bordeaux varietals Cabernet Sauvignon and Sauvignon Blanc, producing distinctive wines of powerful structure and finesse.

WINEMAKING NOTES

Grapes from the northern regions of Margaret River: Wilyabrup, Carburnup and Cowaramup, were harvested at ideal flavour and tannin ripeness, fermented then matured for twelve to fifteen months in French oak from a variety of coopers. An excellent growing season has delivered well-balanced wines that will develop gracefully in bottle. Enjoy now to 2028.

TASTING NOTE

A full-flavoured yet finely structured Cabernet of great appeal: black berries, dried leaves and fine gravelly tannin, reflect an outstanding year.

TECHNICAL NOTES

Alc/vol: 13.5% | pH: 3.69 | RS: 0.0 g/L
TA: 5.62 g/L | CLOSURE: Stelvin Lux+
